EXPLANATION OF RELEVANCE

References AA, the German counterpart to Reference AB, and Reference AL were cited by the European Patent Office during examination of the European application corresponding to the present United States application. Since all of these references are in English, no further commentary concerning their teachings is necessary.

The European Patent Office also cited United States Patent No. 4,138,735, however, a copy of that reference was submitted as Reference AF with the Information Disclosure Statement filed August 16, 1999.

Copies of each of the above references together with Form 1449 are submitted herewith.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application, and therefore, this Information Disclosure Statement is in compliance with 37 C.F.R. §1.97(b)(3), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination, or in combination with any of the previously cited references. Early consideration of the application is therefore respectfully requested.
